

Annual Report

2020

HANGING ROCK CHRISTIAN
ASSEMBLY, INC.

Executive Director Report

It is truly an honor serving here at Hanging Rock. It is hard to believe I have finished my 12th year. When I first came to Hanging Rock I thought, I hope I can at least make it to 10 years. After spending 11 years in preaching ministry and 5 years doing youth ministry, God has provided a ministry that I'm able to use the gifts he has given me to glorify God. I could not have made it 12 years without an incredible board, camp committee and staff.

Well, 2020 was one of my hardest years in ministry in general. When we finished 2019 we had one of the biggest summers we have ever had with the largest attendance in camp history. I thought for sure that 2020 was going to be even bigger. Then Covid hit us, along with the rest of the country. I remember in May having a board meeting where we were going to create a plan on how to do camp, and the Indiana state health department calls me right before I go into that meeting to tell me that the Governor has issued a ruling for no overnight camps in June. My stomach sunk deep with a feeling I have never felt before. It was decided that we would go ahead and hire our summer staff and do work projects in June to prepare for July and let churches use the camp to do their own camps. In July we had over 800 come

to camp. Praise the Lord! I cannot describe to you the feeling of when we had our first campers in July. It was at that moment that I knew I was doing what God has asked of me. To provide a place for people to establish and strengthen their relationships with Christ.

Thank you to all of our Churches and individuals who carried the camp financially in 2020. We had a reduction in our income of over \$280,000 because of no summer camp registrations. But, we were able to survive and have enough revenue to pay all of our bills and payroll and make plans for 2021. Thank you!!!

In this report you will see the Faithfulness of our God through our Churches and individuals. 2021 is our 75th anniversary of doing camp ministry. I'm not sure, yet, how we will celebrate this, if we can just have camp in June & July that might be enough of a celebration.

Serving through Christian Camping,
Gary Baker

Projects Accomplished 2020 - Ben Hannum - Maintenance Dir.

2020 was a wild year! We still had plenty of work that got done and many volunteers who came out to serve at camp. Thank you for everyone who gave of your time and resources to serve at Hanging Rock! We hope your time here was a blessing to you as it was to us.

The year started out with a remodel of all four bathrooms in the House of Adam. These were completed in the Spring. Later in the Spring, we had volunteers come out and paint, clean, cut down trees, put up fencing, help with electrical work and build a new dock at the pond.

The Summer brought our college-age Summer Staff who completed many service projects including building a new fort at the paintball course and a remodel of an old fort. This Fall, Lincicum Heating and Cooling donated new heat exchangers for the LDC and installed them as well! We also completed putting a metal roof on the Canteen with the help of some great volunteers! Our bus even got some new lettering thanks to a volunteer from the camp. Thanks again to everyone who blessed the camp this past year!

2020 Ministry Report

Summer Camp Attendance 800

Baptisms - 17

We were not able to have camp until July and had a total of 8 churches use the camp for their own camps, plus Lafayette Urban Ministries and the South Vermillion High School Football Camp. Because of Covid-19 we chose not to take pictures of our summer camp programs.

Labor Day Family Camp - 250

With not being able to have camp in June we were able to host several families from our supporting churches for individual camping. This was a unique opportunity that was possible only because we weren't having camp. We are grateful for those who took advantage of these opportunities.

Retreats Held in 2020

Jr. High Retreat

Winter Retreat for 3-6th grade

Ladies Overnight Retreat

College Retreat

From Todd Blair-Associate Director

What a crazy year this has been. Can I get an Amen? It was really weird not hosting any Wilderness Campers at the cabins, having Horse Campers romping around the tack barn, or Paintball Campers painting the trees, forts, and each other with paintball this past year. Even with a crazy summer, some good things came out of this year. Terry Evans and our Maintenance Director, Ben Hannum, started work on a trail around the pond. This will allow people to fish from any side of the pond. Work still needs to be done, to finish it, but they cleared out a lot of brush and dead trees around there. I was able to build a new fort, and rebuild another in paintball, with the help of our summer staff and my intern, Andy Huss. The first part of the summer was very project oriented. Some of the items we were able to accomplish are painting the picnic tables at the cabins, clearing dead trees and brush on walking trails, with the help of Greg Hall and his family a new dock was put in at the pond, paintball forts were updated, and a long list of other projects accomplished.

Another positive that came with this year was a new role for me here at Hanging Rock. I was promoted to Associate Director in September of this year. This makes my fourth role at camp in the 4+ years of service, but it is one that I think will last for a while. As the Associate Director, my main focus will be our Food Service and Guest Service side of things. That means, I will be in charge of all things kitchen related from food ordering, scheduling cooks and dishwashers, to cooking and serving meals. I have a passion for food, and love cooking, so I am excited to take on that new role. From the Guest Service side of things, I will be handling all of our retreat bookings and rental of our facilities. I will also help in the office and be available to travel and preach and share about camp with our supporting churches. I am sad to not have had one more summer serving as the Wilderness Liaison, but I am excited for this new adventure! Thank you so much for your support, not only this tiring year, but throughout the long history of the camp! It is much appreciated from our staff.

2021 Mission - North West Christian Haiti

RESCUE. RESTORE. REDEEM. RESONATE. - <https://nwhcm.org>

Our mission at Northwest Haiti Christian Mission is to passionately pursue Christ, as His followers, by aiding the people of Haiti in their passionate pursuit of Christ and facilitating others to engage with NWHCM in our efforts. We are dependent on people like you to help make it happen!

WHAT WE DO

Through the instrument of the church, we serve thousands of people across Northwest Haiti regardless of their age, gender, or religion. We do so through a unique and diverse collection of programs that include primary and secondary schools, nutrition programs, orphanages, medical clinics, and indigenous church empowerment. We are the largest employer in the northwest zone and one of the largest ministries in Haiti. Since the mid 1970s, Northwest Haiti Christian Mission has been built around partnerships with churches and individuals who are interested in ministry in Haiti. Consequently, every year hundreds of volunteers travel to northwest Haiti on short-term trips to participate with us in our ministry efforts.

Year Around Staff

Gary Baker - Executive Director
Todd Blair - Associate Director
Ben Hannum - Maintenance/Wilderness Director
Jennifer Baker - Office Manager
Amber Reeves - Facilities Coordinator
Casey Isdell - Building/Grounds Manager

Camp Committee
